Using cookies:

- Cookies are pieces of information stored directly on the computer that you are using. Cookies allow us to collect information such as browser type, time spent on the Services, pages visited, language preferences, and other traffic data. We and our service providers use the information for security purposes, to facilitate navigation, to display information more effectively, and to personalize your experience. We also gather statistical information about use of the Services in order to continually improve their design and functionality, understand how they are used and assist us with resolving questions regarding them. Cookies further allow us to select which of our advertisements or offers are most likely to appeal to you and display them while you are on the Services. We may also use cookies or other technologies in online advertising to track responses to our ads.
- We do not currently respond to browser do-not-track signals. If you do not want information collected through the use of cookies, most browsers allow you to automatically decline cookies or be given the choice of declining or accepting a particular cookie (or cookies) from a particular website.
