

PROWLER[®]

ROBOTIC CLEANERS

Powered by Dolphin

pentair.com/proowler

Robotic cleaning frees you for more fun.

The Pentair line of robotic cleaners offers a wide range of features you can select from to perfectly meet your pool cleaning needs, from aboveground pools to large, elaborate inground installations.

There's a Prowler for every pool.

All models use a powerful high-speed front scrubbing action to clean your entire pool, walls and all. That means each Prowler delivers a truly hands-off cleaning experience.
